### HIGHLIGHTS:

#### ◆ AGE LEVEL DIVISIONS FOR ALL EVENTS

A stacker's Age Division coincides with his or her age on the day of the tournament (January 23<sup>rd</sup>). Stackers will compete in the following Age Divisions—4 & under, 5, 6, 7, 8, 9, 10, 11, 12, 13-14, 15, 16, 17, and 18, Collegiate (19-24), Masters 1, 2, and 3 & Seniors ((60 & above). Kids in the same grade can still compete on the same team even though they may be 1 year apart! Remember, you can "play up". For example, a 7-year-old 2<sup>nd</sup> grader can compete on the same team as his/her 8-year-old buddy also in the 2<sup>nd</sup> grade! They simply compete in the 8 & under Relay Team Division.

We anticipate many schools to be represented this year at the Championships. For those of you planning to attend, "**participation is the name of the game!**" You might bring five kids. You might bring 150.

**A note to schools not quite ready to compete:** Even though you may not have had a chance to really build a sport stacking program at your school, we want to encourage you to simply come and observe our tournament. This will give you the opportunity to see the potential of this exciting sport at your school. If you are unable to attend, perhaps you have some students who would like to come with their parents. Please get the word out to them. They don't need to be super fast to participate. **Participation by everyone is our goal!**
